Pat:

Following up on this. We'd prefer to avoid a last-minute filing today. Please provide your signature page or let us know if you have further changes.

Also, please note that I found one error in our section, which I fixed. Specifically, in our Counter-Finding No. 27 (on the mash-ups), we cited the wrong Exhibit numbers. I corrected this.

I also am attaching Exhibits 213-A, 213-B and 213-C. You already should have everything else.
